distinal quotation to IDAGCS ALA. IT.

dide of site .. Kusa. a . . . windy on which we have deserted and which is now in the state of destruction.

For the past ten long and cruel years Mussia has been in the cluthoss of Communism.

Everything has been strangled and suppressed by the red satraps and the scum of the III International. Everybody bowed their heads and submitted to the yoke of the G.P.U. for there has never been anything ac cruel hitherto in existence, not even in the world of the barbarians.

The Orthodox Faith has shone with an undying and light like a guiding star amidst the terrors that prevailed.

Everything had been wiped off and smitten, but the red

"apostles" could not destroy the great teaching of Christ.

God's retaliation is approaching!

The hour of reckoning is near at hand ...

Threatening clouds are langing over the suffering

Notherland.

W. Strate

Fathers, mothers, brothers, sons and daughters over there have ceased to struggle and put an end to the civil war which the mensters of humanity - communists, have started IO years age.

The people have understood the falsehood, calumny and the devalry of the communistic leaders. The whole of the Russian nation is at present full of hatred, wrath and despise for the usurpers of the Russian DOWST.

The ancient Kremlin is crying for vengeance for the

described hely things.

The phanton of starvation is at the door of every house... In these days of misery for our brothron, let us remainer the fellow-champions of Massico-Dmitri Denskey, Minin, Peldysky, Patriarch Tikhen. Net er nevert....

Derege the flashing heat-lightness enciroling our priged let us ride up and stand shoulder to shoulder. Committee to our dear methershipted these the are not with us are against us. The space of voluntains are waiting for you. Let compute go to the assistance of the voluntaese.

the significant

is waiting for you and enhling you.

mania will not diet

Commiss will die!

(Aiblical Metation from 18888 XXI 17. )

## MYARL IF THE PROJECT PARTE.

inspinned The Sector and long-expected hour is approaching. You see the heat-lightnings flashing from side to side in Aussia + the downtry of our assestors which we have described and which is now in the state of destruction.

for the past ten loue and creel years Russia has

been in the cluthdes of Commission.

ver, thing has been strangled and suppressed by the red extrape and the seum of the III International. Averybody bound their heads and municial to the yeks of the density for those has never been anything so orus! hitherto in existence, not even in the world of the barbarians.

The Orthodox Faith has chose with an undying film light like a guiding star emidst the to rors that prevailed. Verything had been wiped off and saidtem, out the red \*postles\* bould not destroy the great teaching of Shrist.

lod's recallution is appreceding!

The hour of reckoning is near at handood threatening clouds are bought over the suffering cottoning.

Fathers, mothers, brothers, sees and daughters over there have densed to struggle and put an end to the civil war which the mematers of humanity - communists, have started 10 years ago-

The people have understood the falseheed, calumny and

the develop of the semmentatio leaders.

The whole of the musica nation is at present full of introd, wrath and despise for the usurpers of the Bussian power.

the ancient Kremlin is crying for vengeence for the

desscrated hely things.

The phanton of starvation is at the door of every house... In these days of ulsery for our brothrom, let us

remember the fellow-champions of Museich- Smitri Constay, minin, Palarsty, Patriarah Tikhen.

Now or nevert....

.efere the flashing heat-lightlings encircling our metherland let us rise up and stand shoulder to shoulder. Ownered to our dear Notherlands

These who are not with us are squisst we-

The reaks of volunteers are malting for you. Let everyone so to the menistance of the volunteers.

het us close the sircle.

How or never! Your country to matrix, for you and calling you.

there are you? Tearness and answer to be sails
